

# KSRA FOUNDATION

**Your legacy** is a future that includes shooting sports programs.

**Our commitment** started with Royce Rearwin who donated funds to make this legacy possible. A Kansas businessman who loved shooting wanted to establish a Foundation that would carry on the activities that meant so much to him, long after he is gone. With this incentive, the Foundation was established and 6 Directors were elected to the Foundation Board. People with the same ideals and commitment as Mr. Rearwin. People with strong backgrounds in shooting sports, both hunting and shooting competitions.

## ***Direct Contribution***

By check and through the mail, is the easiest way you can contribute to the foundation.

## ***Gifts of Stocks, Bonds and Other Securities***

The KSRA Foundation welcomes gifts of stocks, bonds and other securities. A gift of appreciated securities allows you to take an income tax deduction for the fair market value of the asset to the extent allowable by law, regardless of the original purchase price.

## ***Estate Planning/ Heritage Society***

The foundation offers the opportunity for individuals to make a Planned Gift. Whether providing for a bright future for our firearms heritage through your will, through an annuity, life insurance, retirement accounts or a trust, the foundation stands ready to assist you in determining what type of gift will work best for you to meet your charitable giving goals. If you are interested, ask for our brochure on estate planning.

*Money supports summer camp to teach boys and girls basic shooting skills and firearm safety.*

## ***Gift of Guns***

A gift of personal firearms to The KSRA Foundation will also help to build your legacy.

## ***FUND RAISING ACTIVITIES***

Funds are raised through annual direct mail solicitations and auctions. Auctions of donated firearms and sporting equipment have raised over \$60,000 for the Foundation. The donated items served as charitable tax deductions for the donors, and provided vital funds to carry on shooting traditions cherished by the donors.

This is your chance to help shape the legacy for future generations. Join us in our commitment to extend the pleasures of shooting beyond our lifetimes.

## BACKGROUND

The Kansas State Rifle Association Foundation was created in early 2000 as a 501(c)(3) entity for the purpose of raising funds to support legal sport shooting programs of all kinds in Kansas. At this time these activities focus on junior and women's shooting activities such as a Junior Sports Shooting Camp in the summer, 4-H Regional and State Shooting Championships, Daisy/Jaycee B.B. Gun Championship teams, Intermediate/Advanced Junior Olympic Shooting Camps, providing travel funds for junior shooters competing in national and international matches, Women On Target events and similar activities. We will be looking to support other shooting groups in the future, such as handicap and senior shooting activities.

The Foundation raises funds, invests them, and makes the income from those investments available for the above shooting programs. The Foundation Board of Directors is an elected non-paid body that voluntarily undertakes and supervises the activities of the Foundation. The Foundation has no paid staff.

The Directors have engaged the Trust Company of Manhattan to oversee the investments of the Foundation and expedite the receipt of bequests, gifts of stocks and bonds, and handle donations of real estate and other property of value.

## OPPORTUNITIES FOR ESTATE TRUSTEES AND EXECUTORS:

Often, the sale of rifles, shotguns, handguns, ammunition and sporting equipment is cumbersome in estate sales or other forms of property disposition. The Foundation is in a position to accept firearms, ammunition, spotting scopes, reloading equipment, and other items of sporting equipment. The donated items will be professionally appraised, and a written valuation will be provided to estate trustees or executors for tax purposes.

Donations of single guns or entire collections are welcome. The Foundation will collect donated items and assure that all transfers of ownership are undertaken in conformation with state and federal regulations.

For additional information or to arrange for the collection of donated items, contact:
